

# OLIVER'S WORLD OF COLOURS

Oliver is painting his baby brother's room!  
With SPEKTRA Active Air paint, he will  
catch all the harmful formaldehyde in the air.

Help find Oliver a way to SPEKTRA Active Air!

Finish the colouring ...

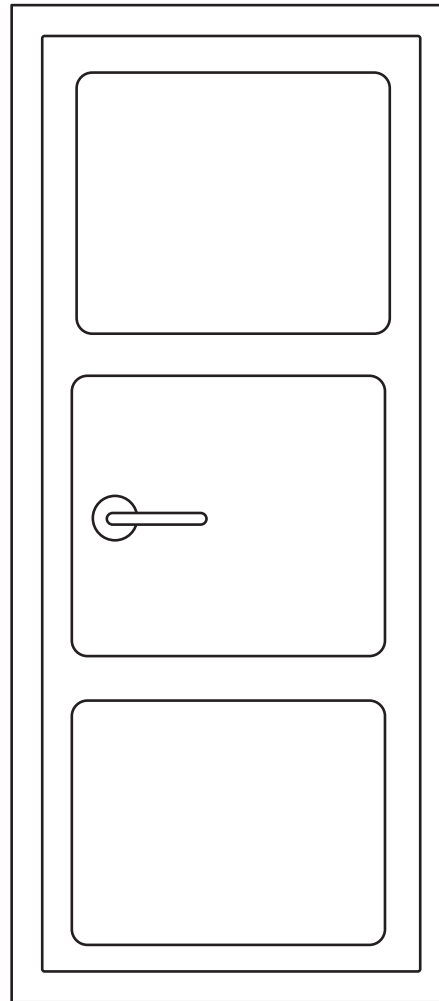

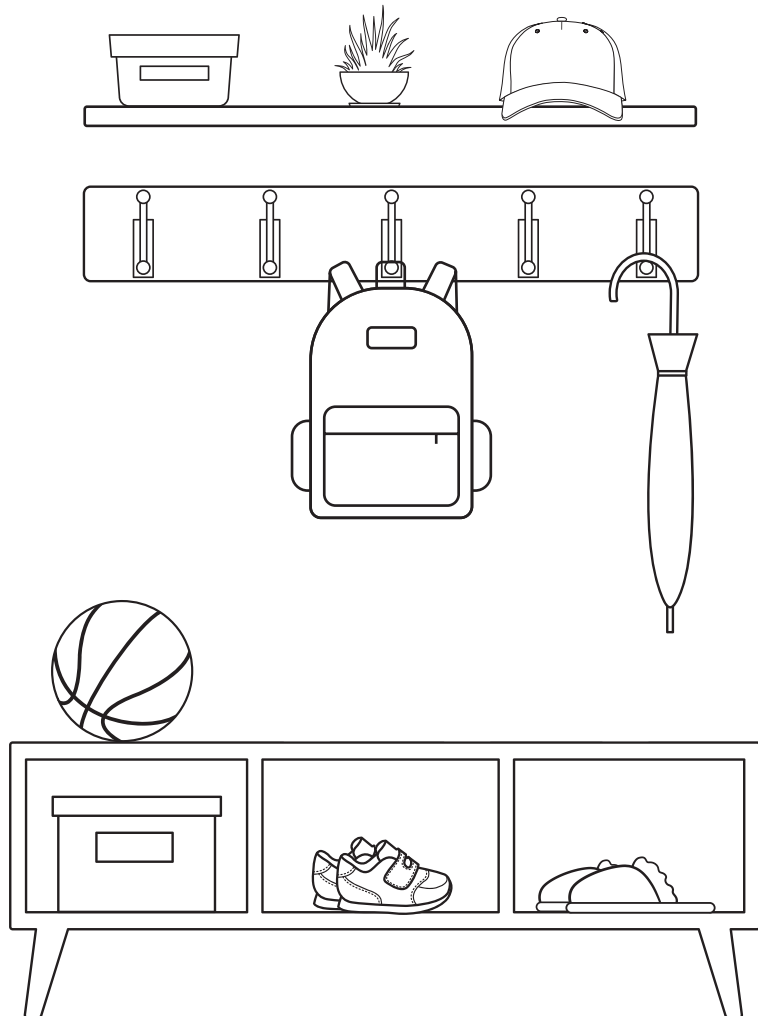

Oliver is painting a wall with SPEKTRA Magnetic!  
He will now be able to easily attach his new  
drawings with magnets directly onto the wall!

What will he show in his new gallery?  
Help him finish his drawings.

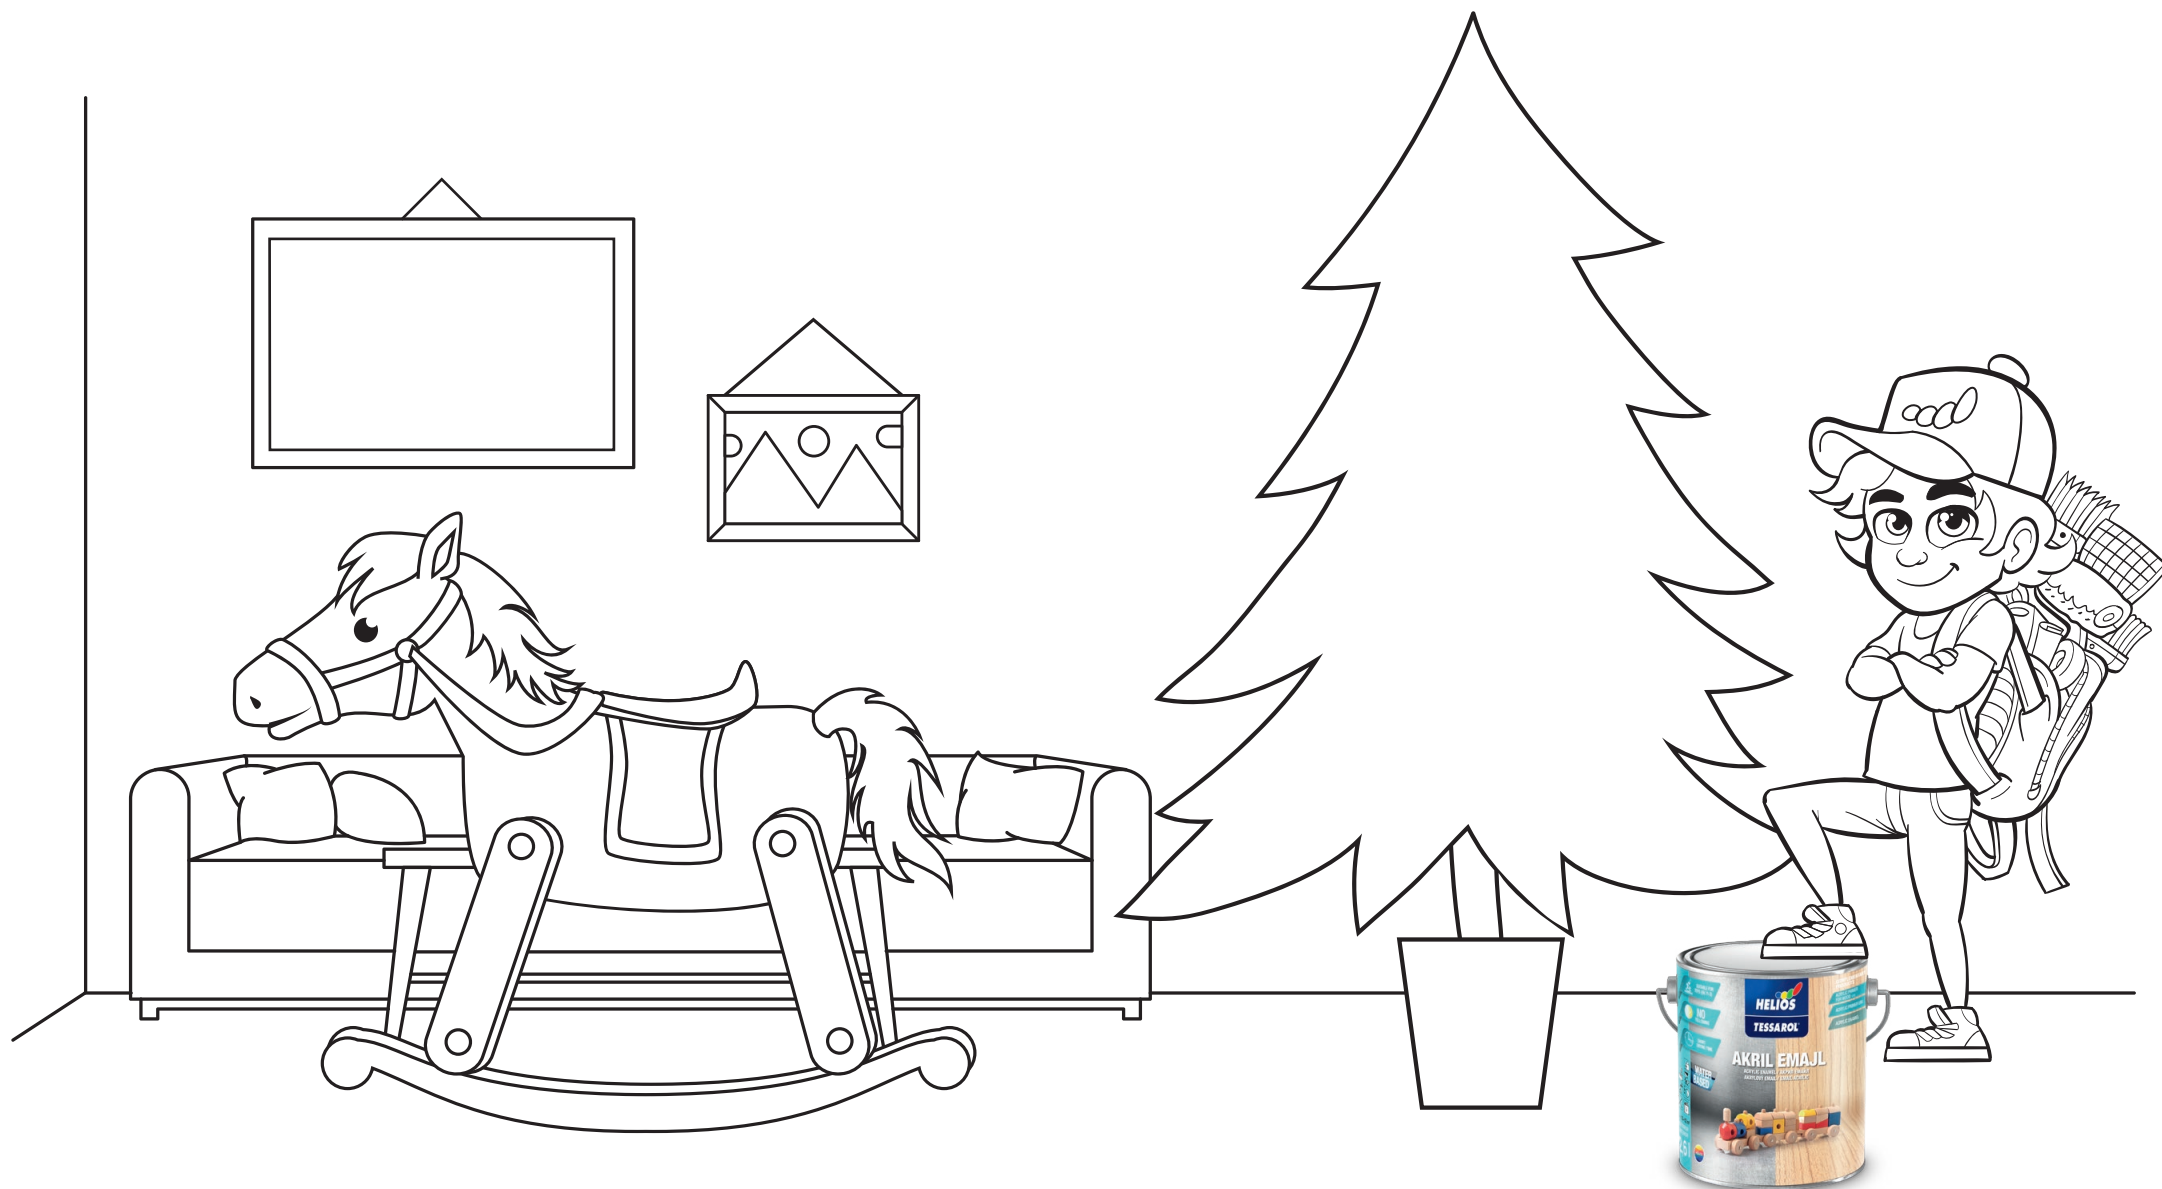

Oliver is painting a hallway!  
In what colour?

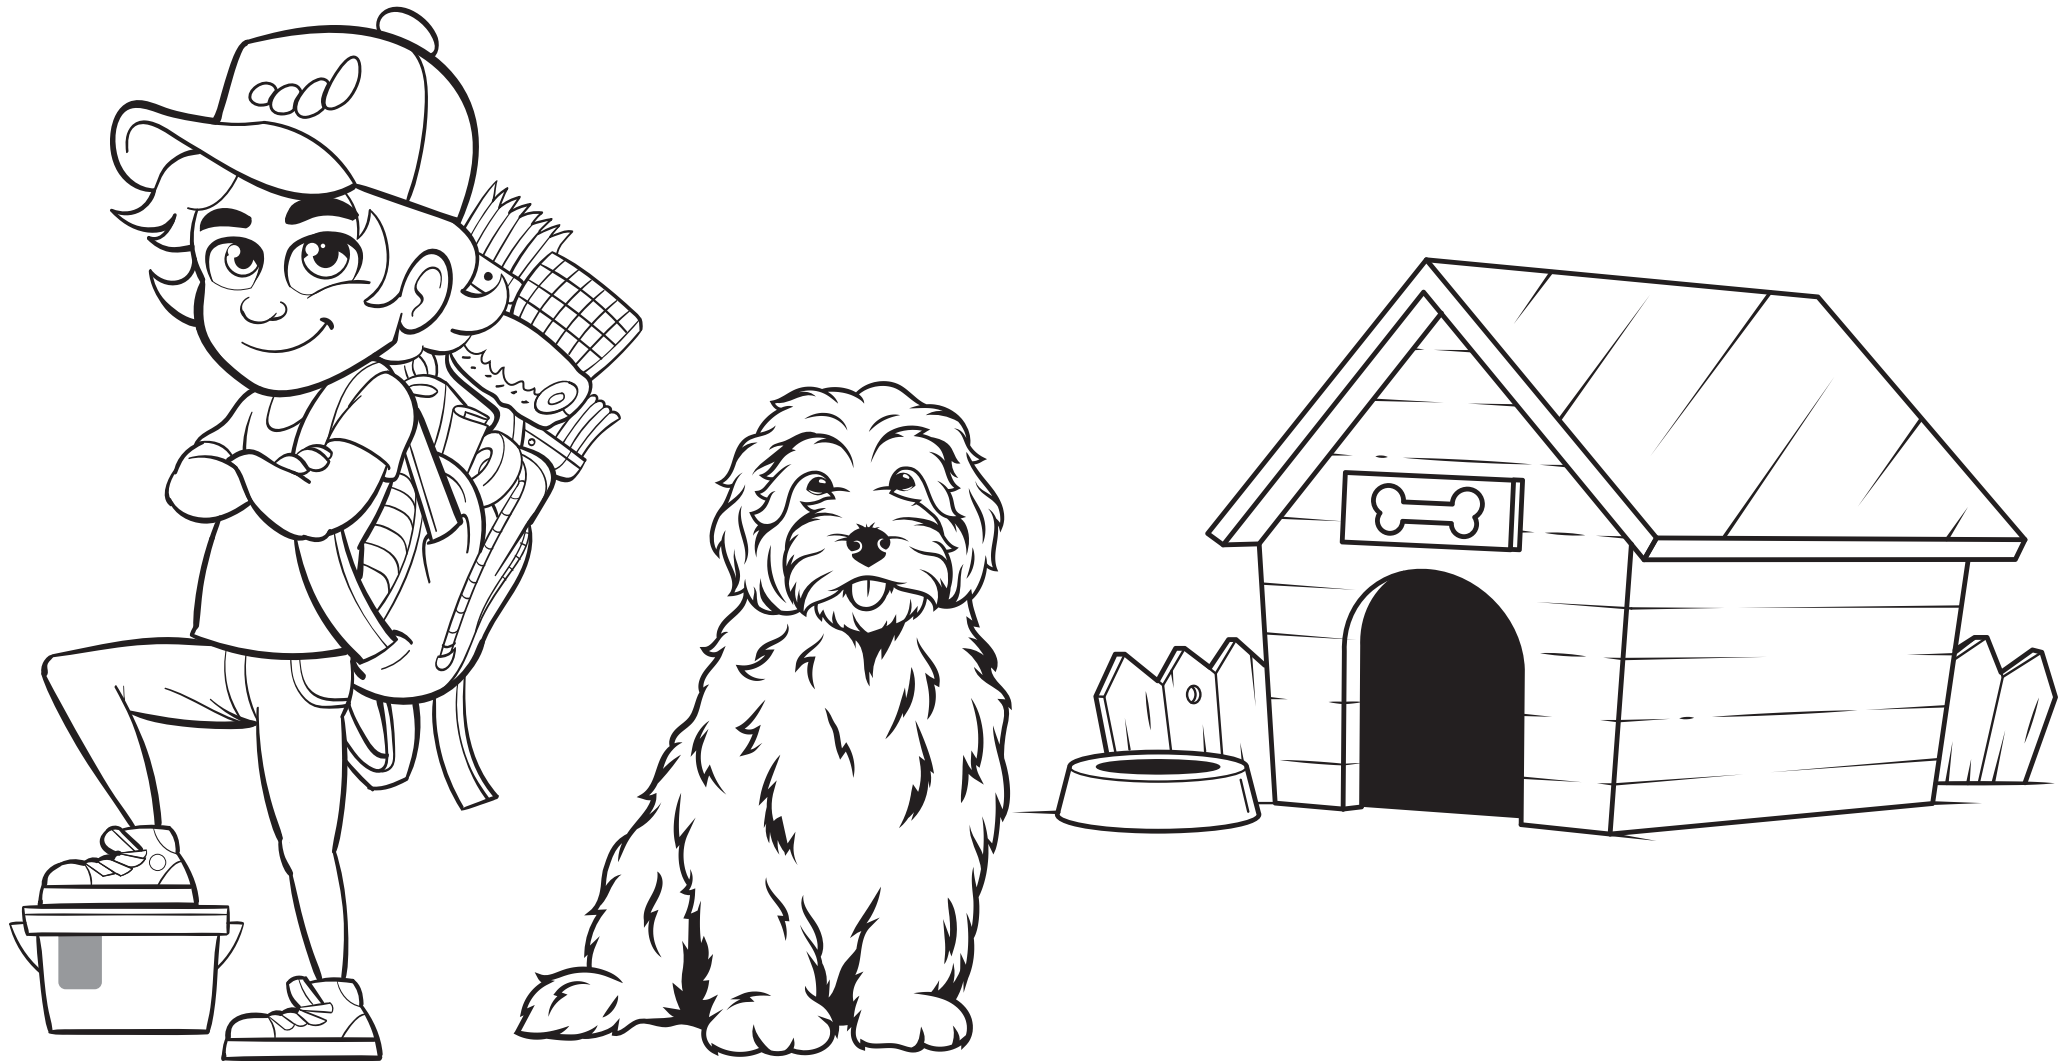

Oliver is painting his loyal wooden horsey! He will use **TESSAROL ACRYLIC ENAMEL**, a safe paint for children's toys. What colour should he choose?

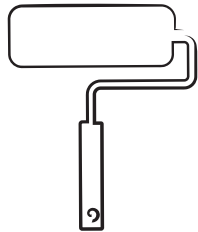

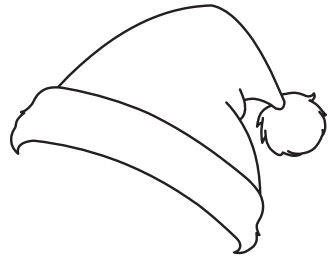

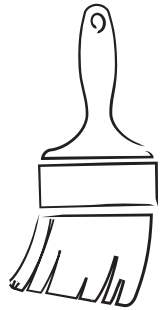

In the meantime, help him decorate the Christmas tree. Don't forget about the lights!

Fluffy needs new colour for his house!  
What colour would you pick?

Which tools do we use for painting a room? Colour the correct answers.

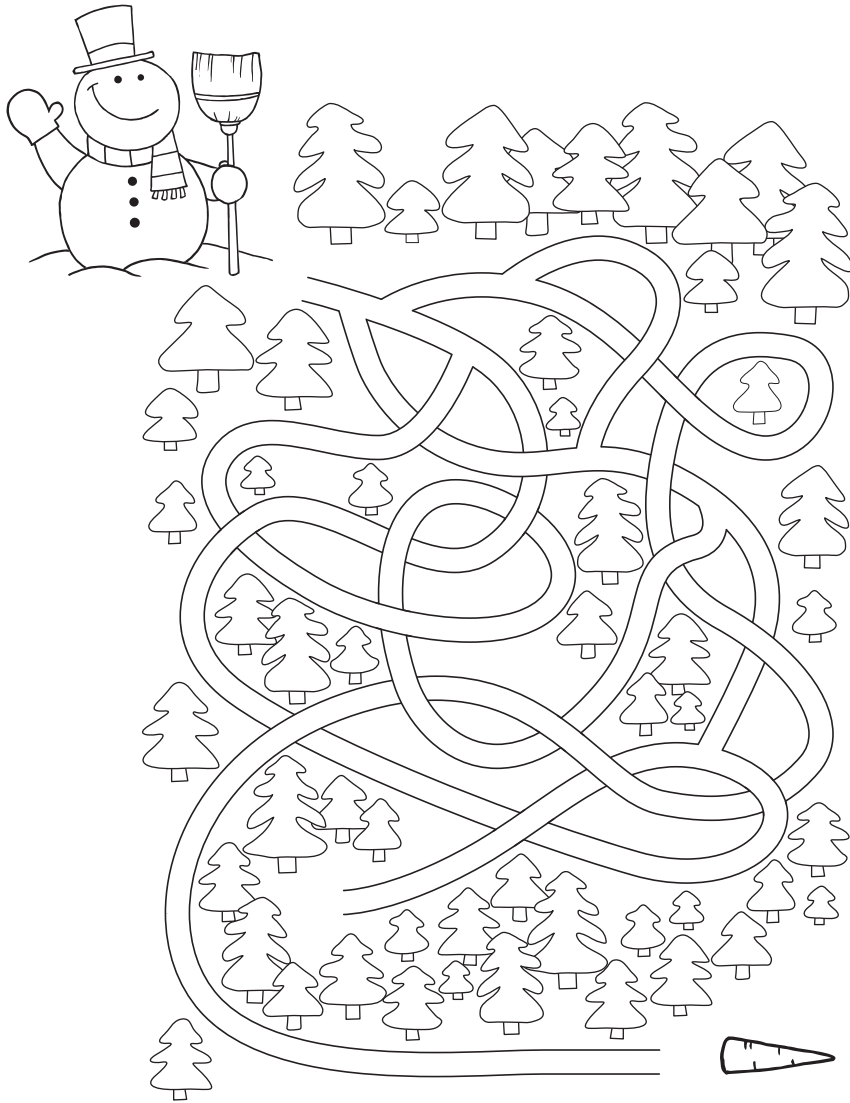

Spot 5 differences and colour both drawings.

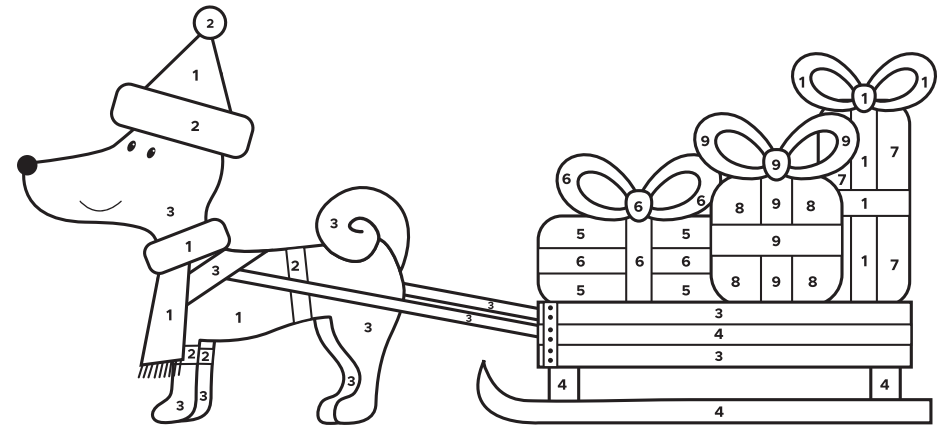

Oliver invited you on a trip.

Where will you go? Draw a picture.

Oh no, the Snowman lost his nose! But you and Oliver will help him find him, won't you?

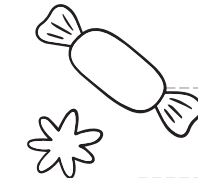

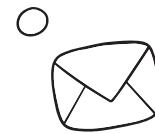

With protective coatings for wood, Oliver always makes sure his sleds are ready for the winter. Colour by numbers.

Next to the Christmas tree, Oliver will prepare a glass of milk and a plate of cookies for the Santa, so he can rest a bit on his long journey.

Help him decorate the cookies. And then quickly, if you haven't already, don't forget to write a letter to Santa!

Dear Santa,
